- Your **\$60 registration fee for adults (\$45 for high school students)** covers all training sessions (classroom and field training), umpire's manual, flag, cards and 2020 association dues
- Additional start-up costs include US Lacrosse membership and the purchase of an umpire shirt, black shorts and a Fox 40 whistle.
- Total start-up expenses will be recovered within the first four games you work.
- Women's lacrosse is rapidly growing in the Metroplex both at the grade school and high school levels. You will have the opportunity to work as many games as your schedule will allow.
